CONSULTANT (m/f/d)

No matter what you are capable of – together we can achieve even more. With this mindset, we grow beyond ourselves as a team. Are you ready?

As a leading international management consultancy, we are always looking for top talents from all fields with PhD or MBA degrees as well as talents who have already gained some relevant professional experience.

As a **Consultant**, you will ...

work on challenging tasks.

have the best development opportunities.

build up management competencies in different industries.

face complex entrepreneurial challenges together with your team.

take on independent project modules and thus responsibility at an early stage.
